2003 SENATE BILL 212

July 16, 2003 – Introduced by Senators Kanavas, Darling, Schultz, Roessler, Kedzie, Stepp and Lassa, cosponsored by Representatives Stone, Nischke, M. Lehman, Jensen, Kreibich, Musser, Taylor, Olsen, Albers, Plouff, Loeffelholz, Krawczyk, McCormick, J. Lehman and Seratti. Referred to Committee on Higher Education and Tourism.

- AN ACT to repeal 38.15 (3) (c) 3. of the statutes; relating to: capital expenditures
- 2 by technical college district boards for applied technology centers.

Analysis by the Legislative Reference Bureau

With certain exceptions, current law requires a technical college district board to hold a referendum if it intends to make a capital expenditure in excess of \$1,000,000. The requirement does not apply to a capital expenditure to purchase or construct an applied technology center if the state Technical College System Board approves, the total amount of the expenditure is no more than \$5,000,000, and the expenditure is made before July 1, 2003. This bill eliminates the latter requirement.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
